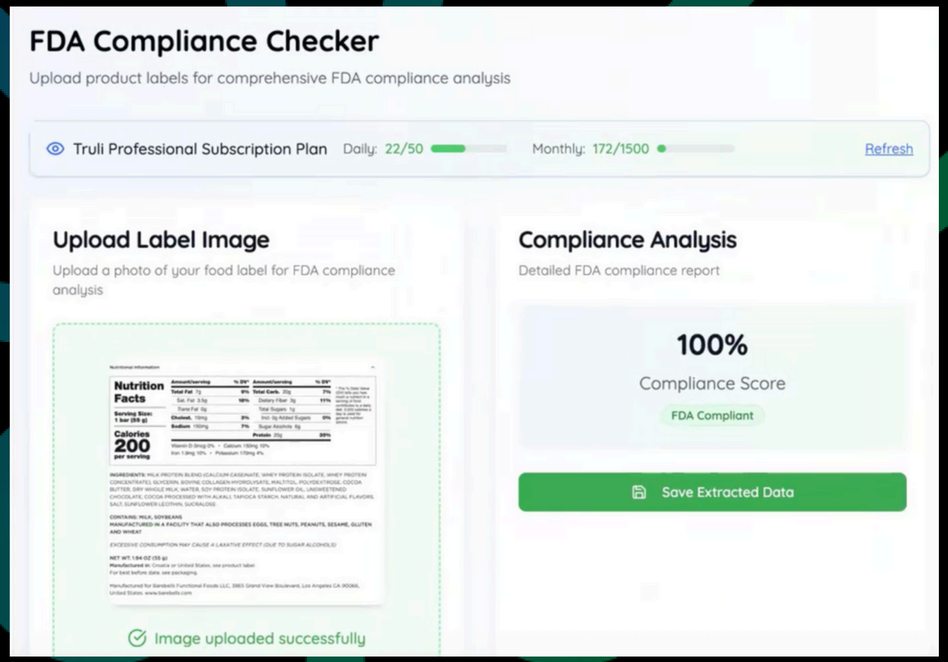
About Truli

Main Feature

FDA Compliance Checker

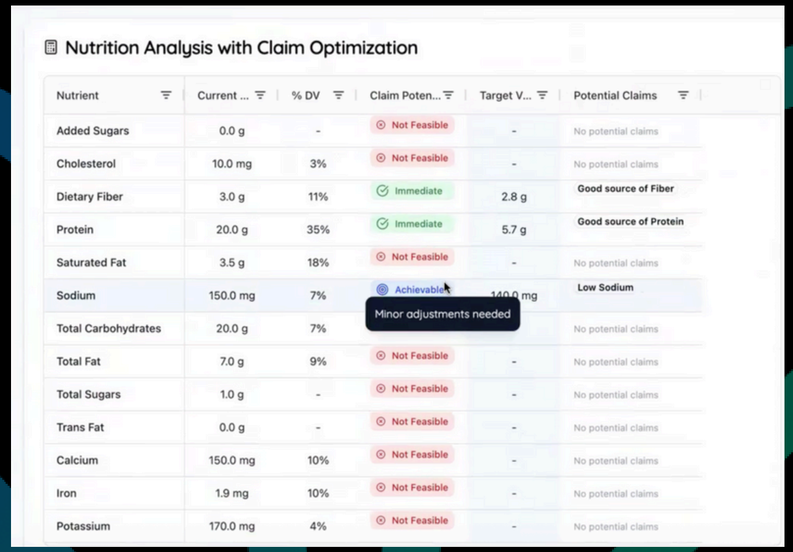
- Thoroughly scans labels for whether they meet 21 CFR rules
- Specific rules per ingredient and nutrient
- %DV and calorie calculations



Features

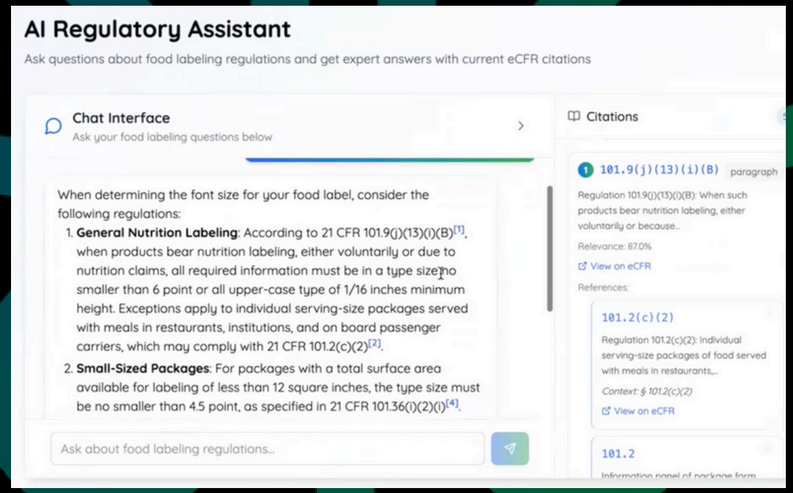
Product Claim Optimization

- Identifies potential FDA-compliant marketing claims
- Systematically categorizes claims by feasibility



AI FDA Regulation Expert

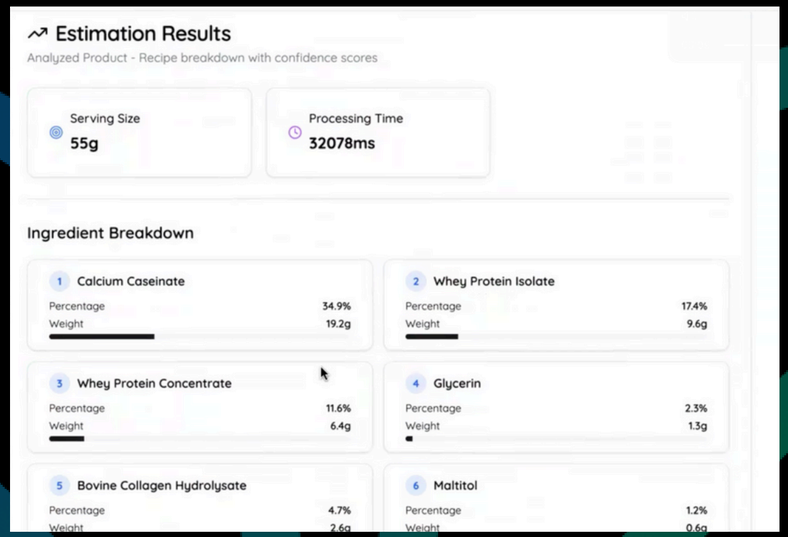
- Recursively accesses referenced codes
- Regulations are accessible by all agents



Features

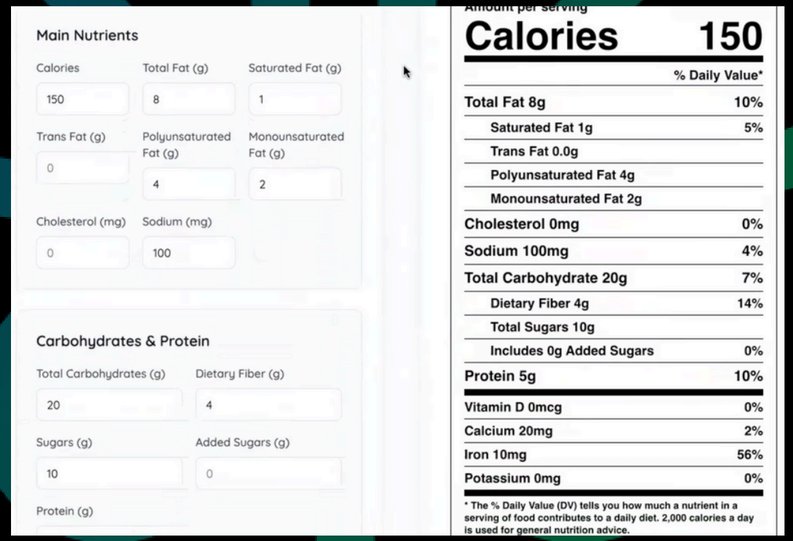
Label-to-Recipe Converter

- Matches label ingredients to known ingredients
- Allows reformulation of existing products



Smart Label Generator

- Generates compliant, customizable labels from an inputted product description
- Also allows label generation from inputted recipe



Future Features

Market Intelligence and Analysis

Social Media/Selling Platform Requirement Checker

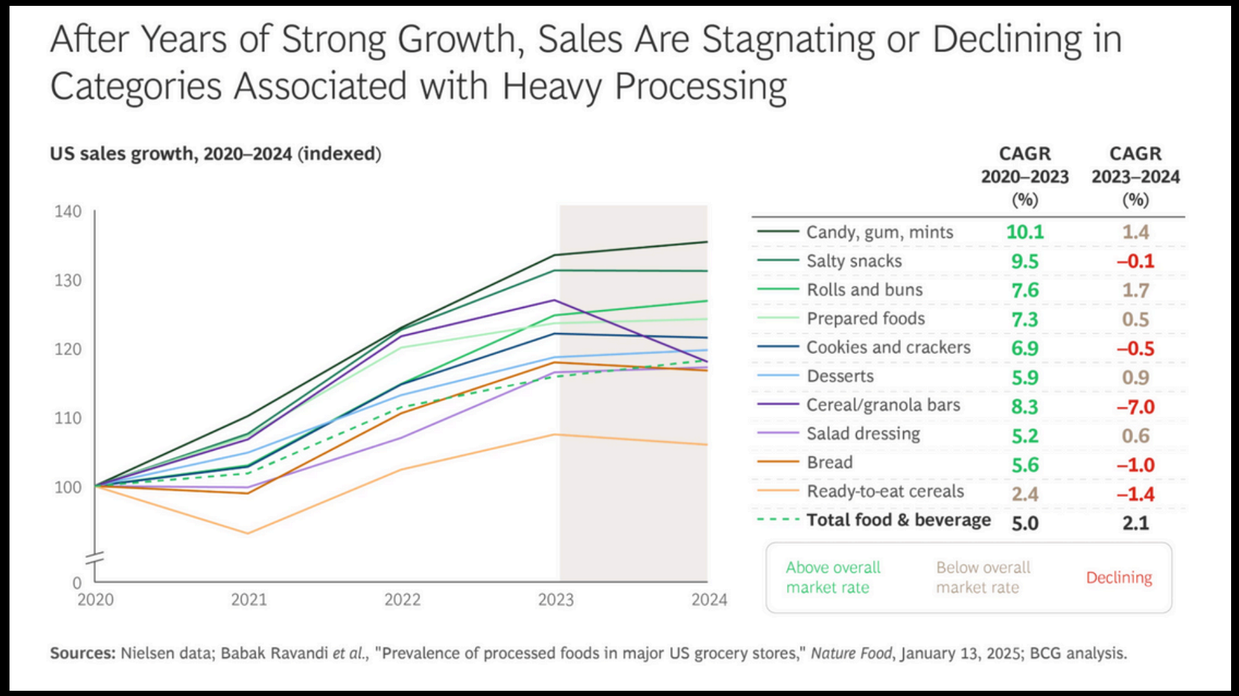
Cover other FDA-regulated products (Cosmetics, pet food, etc)

With Truli		Without Truli
10 min - 1 hour		4-12 weeks
$99/month		$2K - $10K per product
AI-powered guidance		Dense FDA documents
Built-in compliance		Risky manual workflows
Streamlined process		Scattered tools

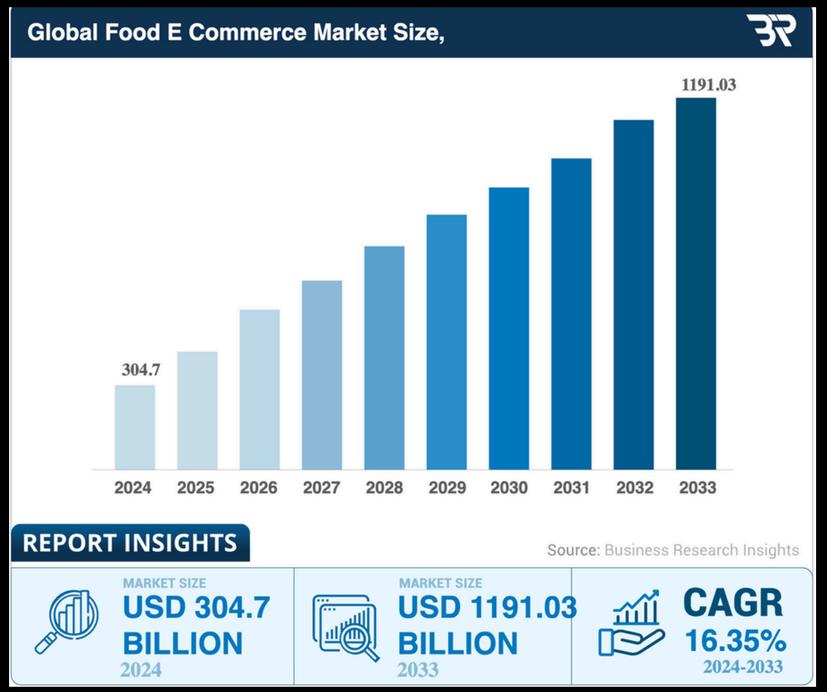
Market Analysis

Why now?

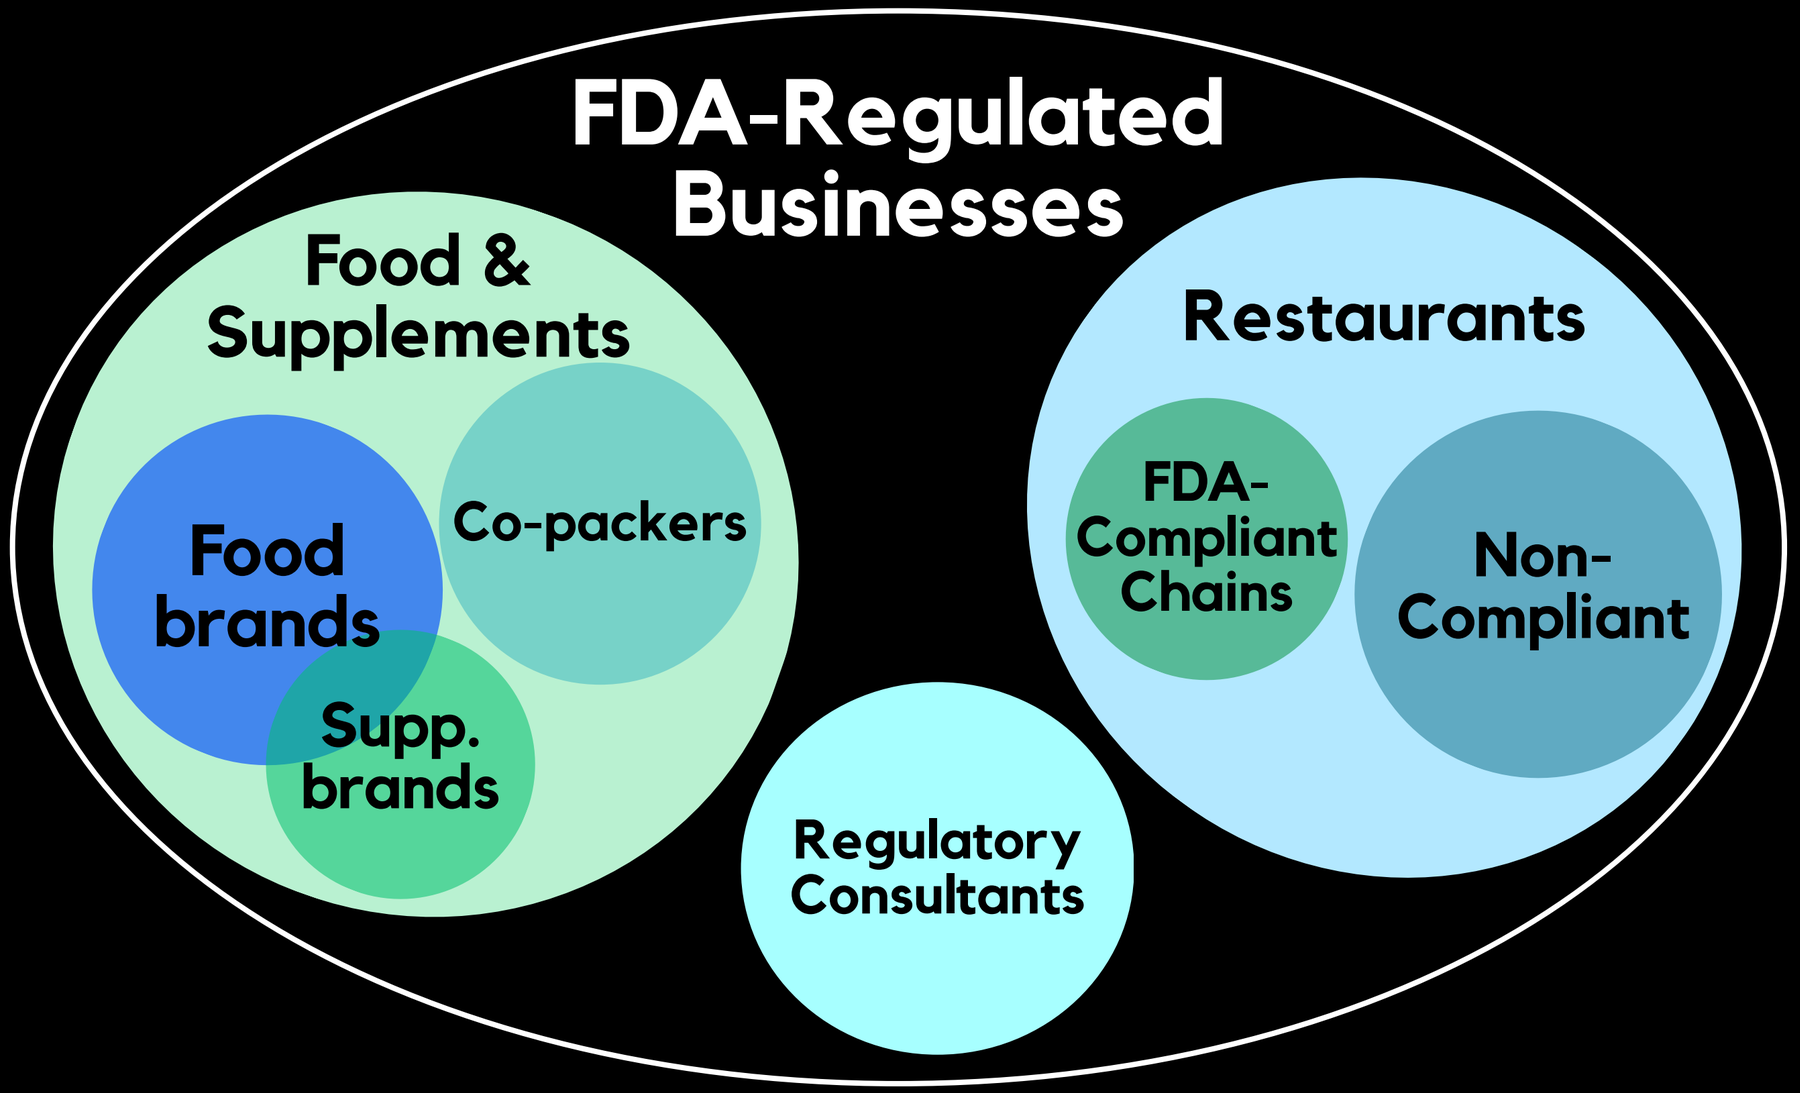
Health-conscious consumers are driving product reformulations



Growth of e-commerce is fueling independent DTC entrepreneurs



Market Overview



Market Overview

Estimates derived from both e-commerce and retail brands

Segment	Market Size	% Captured	Clients	Avg. Price	ARR
Supplement Brands	42,000	5%	200	$250/mo	$6.30M
Food Brands	200,000	5%	900	$250/mo	$30M
Food Packaging Companies	7,000	5%	350	$250/mo	$1.05M
Restaurants (FDA-Compliant Chains)	1,400	5%	70	$399/mo	$334K
Restaurants (Independent)	297,000	0.50%	2,185	$99/mo	$2.6M
Regulatory consultants (At firms + Independent)	1,750	5%	88	$99/mo	$105K
Total	—	—	—	—	**$40.4M**

Will introduce higher prices for very large enterprises

Business Model

Enterprises

- **Large food/supplement companies** w/ in-house R&D or regulatory teams seeking faster compliance workflows
- **Pricing**: $1,000+/month (tiered access or per-seat pricing)

Consultants

- **Regulatory and product development consultants** who use the platform to streamline client work and scale their services
- **Pricing**: $250/month

Restaurants

- **Single or multi-chain restaurants** that want to generate nutrition labels for menu items for health-related claims
- **Pricing**: $99/mo or $399/mo

Startups & DTC Sellers

- **Smaller startups, solo founders, and influencers** selling food/supplements who prefer a DIY approach over hiring expensive and slow consultants
- **Pricing**: $250/month

Potential future market: Government regulatory entities
